ERCOT Report Review Memo 20150904 -Clean wPermits.docx

Joe and Robyn,

I apologize. Due to an oversight on my part, I failed to include a section on new TCEQ permits for gas-fired power pulled together by Nidhi. I've now included that information in this version. It's redlined for clarity.

Sorry for any confusion rendered

Cheers,

-Jeremy

Joe and Robyn,

I'm attaching here our review of ERCOT's paper "Impacts of Environmental Regulations in the ERCOT Region."

I'd be happy to answer any questions you have on the content or structure. Please feel free to contact me directly.

Thank you
